

Temporary no-fly zone Mürren-Stechelberg

Dear aviation friends During the renovation work on the new Schilthornbahn, there will be Helicopter movements between the Wurmegg take-off site and the Stechelberg landingarea. To ensure the safety of all aviation participants the following rules apply with immediate effect (see map):

- Red zone = restricted zone for Paragliders, Speed-gliders, Hang-gliders and BASE Jumpers. GND/1900mAMSL Valid from Monday to Saturday. No helicopter operation on Sundays. (Partial exemption for Airtime Paragliding pilots ONLY)
- Departures from Wurmegg must be in the direction of Gimmelwald
- Starting place tennis court closed!
- Starting place 'Masten' closed!
- New landing site from the beginning of April, see the GCL website for the exact date.

In order to properly compensate landowners, a landing fee will be introduced from 2023 – 'Landing tax levy'. You can find prices and options on the GCL website and on Notice at the landing site.

The conversion of the lowest section is expected to last until the end of 2024. The above rules apply until revoked by the paragliding club Lauterbrunnental and are Mandatory. You can find the current status on the GCL news page (scan QR code).

Thank you for your understanding and have a safe flight.
